

Why join Epping Bowls Club !

Epping Bowls Club is a friendly and welcoming club for bowlers of all abilities. The membership is made up of people from a wide range of age and experience that all bring something unique to the club. There are ladies and gents sections although a lot of games are mixed. Bowling is a competitive but friendly sport where participants can walk at a brisk or leisurely pace throughout the match. A bowl (or wood) weighs 2-3 lb allowing some gentle exercise as well as a great deal of fun.

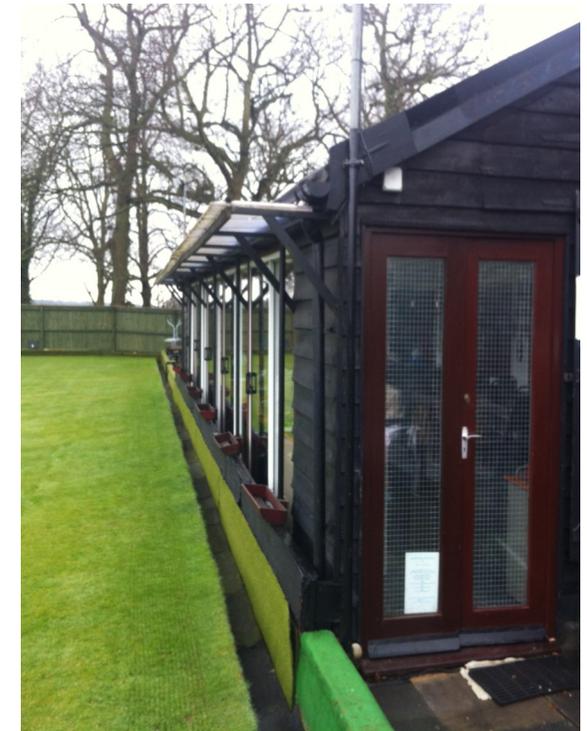

There are themed evenings, competitions and events throughout the season.

Trying and starting to play bowls is not expensive. Some flat shoes (to protect the flat green) some borrowed bowls and away you go! If you want to progress and bowl more seriously, then bowling clothes can be bought locally or on-line. At Epping Bowls Club, we tend to stick to grey trousers and a white shirt because they are cheap and most people will have a set.

Although bowling has been around for a few hundred years, the modern sport is open and progressive. At the higher levels, it is very competitive. At Epping, we are aiming to provide a good club where bowlers can develop if they wish and to provide a welcoming facility for the casual bowler. There are competitions so that bowlers of similar experience can bowl against each other or take on more experienced bowlers.

The bowling club in Epping has been in existence since 1911. Fixtures have been played every year since that time. In the early days, matches were against teams from Harlow, Highams Park & Leyton. Nowadays matches are played all over South West Essex.

We at Epping Bowling Club believe that our traditional club can provide a venue for people to meet, socialize, support others and, be supported.

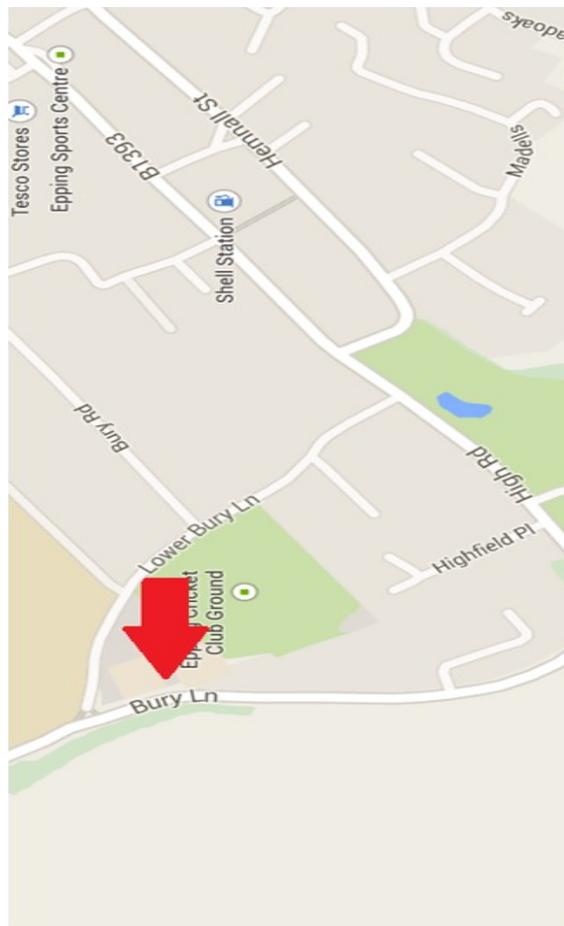

Our facilities can provide a base for all levels of bowler from the novice to the experienced wishing to challenge for top honors

Everyone at Epping Bowls Club extends a warm and open invitation for you to come and join us.
